## Latest Tailwinds

*Derek Abramson, Editor*

Hi AVTI. It has been a while since I have been able to get a Newsletter out. I am back on the job. There will be a new format coming out here in the next couple of months. I hope to get some feedback from the club. Also planned is an update to the website. I will be stepping through that process over the summer.

I hope everybody has been able to get some flying in. The weather has presented some great opportunities. Now, let's get to

Business. It is that time of year, please renew for another great year at the field. The membership form is attached to the Newsletter. Also, there will be some minor changes to the club bylaws. I will have a updated version in the July Newsletter.

Club nominations are in, Mack Moffat has agreed to be Vice President, and Tony Frackowiak has agreed to take another year as treasurer.

Until next time, keep those wings level.

## General Meeting Minutes

### *Old Business*

- With the cost of resealing the asphalt and along with not getting a significant extension to our WM agreement, we have decided to hold off. We will be doing some DIY crack repair along with the weed killing to improve the asphalt.

### **New Business**

- We had another attempted break-in. The locks were destroyed and the doors to the container badly damaged. The locks have been replaced and we are looking in to repairing the doors.
- The renewal season is approaching. You can make a renewal payment at any time.
- It's time for the nominations for Vice-President and Treasurer. Mack has agreed to be nominated for VP and I will do another term as the Treasurer.
